

Sacred Heart Catholic Primary School Hymn

(Based on the Mission Statement)

Chorus

*We all live joyfully at Sacred Heart.
Living, loving, learning we all play our part.
Trying to live each day as Jesus showed us to.
Sacred Heart of Jesus, keep our light shining through.*

1. We are a family, working as a team,
Always trying to do our best, striving for our dream.
Learning to respect your world, and its people too,
Knowing you are always there helps us as we do.

Chorus

*We all live joyfully at Sacred Heart.
Living, loving, learning we all play our part.
Trying to live each day as Jesus showed us to.
Sacred Heart of Jesus, keep our light shining through.*

2. In our school community we try to live in peace,
Show love and understanding to help all quarrels cease.
Give us strength to do what's right and let our wisdom grow,
So everyday in every way we let your message show.

Chorus

*We all live joyfully at Sacred Heart.
Living, loving, learning we all play our part.
Trying to live each day as Jesus showed us to.
Sacred Heart of Jesus, keep our light shining through.*
