

## Fifty Years of Faith

(A Hymn to celebrate 50 Years of Holy Family Church W.G.C)

Music and Lyrics By Sally Kee Feb 2017

1. For fifty years your light has shone, through living stones in word and song.  
You called our names to join your throng and your sustenance keeps us strong.  
You give us life in bread and wine and we become branches of your vine.  
We all unite in heart and mind to humbly praise our God Divine.

### Chorus Melody

*Our doors are always open at Holy Family,  
We welcome outcast, friend and stranger to  
our community.  
We live our faith and try to serve each other  
in your name,  
And spread your message of love and hope  
with the Spirit's eternal flame.*

2. For fifty years your light has shone, though many priests have come and gone.  
When our life's full of doubt and fear, these four walls bring comfort near.  
God help us heal the broken ones, give food to the hungry in faith action.  
Diversity and unity together make Holy Family.

### Chorus Melody

*Our doors are always open at Holy Family,  
We welcome outcast, friend and stranger to  
our community.  
We live in faith and try to serve each other in  
your name,  
And spread your message of love and hope  
with the Spirit's eternal flame.*

### Chorus Harmony

*God Bless Holy Family and fifty golden years.  
Refuge for us all in times of happiness and  
tears.  
God Bless Holy Family for many years to  
come,  
We'll spread your message of love and hope  
with the Spirit's eternal flame.*
