***HOLY FAMILY!***

1. We live, love and learn with Jesus,  
In one big family.

We live love and learn with Jesus,  
We talk to him every day.

We do our best at work and play,  
We don't give in, try not to sin.

We learn to strive, to live a life like Jesus,  
The greatest teacher of all.

2. We live, love and learn with Jesus,  
We try to be friends with all.

We live, love and learn with Jesus,  
We listen when he calls.

We celebrate cause He is great,  
We try to share and not compare,

Love every one and have some fun, with Jesus,  
The greatest teacher of all.
