Sticks together tap, tap, tap.
Tap, tap, high do the Hercules Rap,

Sticks together it's a Rap!*

1. Hercules was good but he sometimes was
a fool.

So he had to be punished when he broke
the rules.

He had to do twelve labours that were very,
very scary,

He didn't fail, the boy did good, he was
strong and he was hairy.

*Tap, tap, high do the Hercules Rap,
To the left to the right,
Sticks together tap, tap, tap.
Tap, tap, high do the Hercules Rap,
To the left to the right,
Sticks together it's a Rap!*

2. His Daddy was a god, the mighty Zeus,
the mighty King,
But he couldn't help with the monsters and
things.

Young Hercules was tough and he dealt
with every weirdo
His labours meant he changed from a zero
to a hero.

Tap, tap, high do the Hercules Rap,
To the left to the right,
Sticks together it's a Rap!*
