By Sally Kee

1. Crackle, crackle, boom, bang fizz!  
Electricity, electricity.  
Light bulb, television cooker and fridge.  
Crackle, crackle, boom, bang fizz!
2. Better beware, better not mock,  
Electricity can give a great big shock!  
Crackle, crackle, boom, bang fizz!  
Electricity, electricity.
3. Electricity and Water don't mix,  
Please don't try it or you'll get in a fix.  
Crackle, crackle, boom, bang fizz!  
Electricity, electricity.
4. Don't stick anything in the socket,  
Or your hair will go up like a rocket.  
Crackle, crackle, boom, bang fizz!  
Electricity, electricity.
5. Crackle, crackle, boom, bang fizz!  
Don't mess with me I'm ELECTRICITY!
