

The End of Term Song 2020

Composer and Lyricist: Sally Kee July 2020

*Hooray, hooray it's the end of term
And it's been really weird because of Covid germs.
No more learning at home or at school
'Cos it's the summer holidays and now the kids rule!*

Throw out the maths books they make our heads ache.
Drag out the paddling pool and bake lots of cake.
Camp in the garden and have a water fight.
Sleep till late and meet our mates and stay up half the
night!

*Hooray, hooray it's the end of term
And it's been really weird because of Covid germs.
No more learning at home or at school
'Cos it's the summer holidays and now the kids rule!*
